Our Vision and Values

Christian ethos, caring environment, Children Excel

Our Christian Ethos:

This central element of Christian behaviour underpins the clear ethos of Callow End CE Primary School and is also central to our values for life. Our vision and values are at the heart of everything we do and are embedded throughout the life of the school. They allow all the members of our school community to share an ethos of love and respect for others.

Linked Values - trust, peace and thankfulness.

Our Caring Environment:

Callow End CE Primary School provides a welcoming, safe and supportive environment in which all our children's qualities and abilities are nurtured and celebrated. All pupils at Callow End grow in self-confidence, resilience and independence; in the quality of their relationships and their care for their environment and each other. We also foster a spiritual and moral view of life throughout our school.

Linked Values - friendship, forgiveness and truth.

Our Children Excel:

At Callow End Primary School, we value individual achievement, good relationships, inclusion, spirituality and enjoyment. Our experienced and dedicated staff know and understand our pupils and have high aspirations for them. Through encouragement and support, the staff are committed to enabling every child to reach their full potential, not only in academic work but also in creative, practical, sporting and social activities. Our pupils learn to live life to the full.

Linked Values - perseverance, respect and courage.

Callow End CE Primary School is an academy within the Diocese of Worcester Multi Academy Trust.
